

11.5kW

Wood burning
Cast iron

MONTE CARLO

The Franco Belge Monte Carlo boasts an impressive 11.5kW heat output and a high net efficiency. This stove has a large glass door featuring a pre heated airwash system to keep it clean enabling a fantastic view of the fire. With a side loading door it means you can fit logs measuring up to 55cm long into the stove. A unique baffle system incorporating the tertiary air inlet box introducing preheated air into the top of the fire for cleaner combustion.

Design Features

- ◆ Cast iron construction
- ◆ Cast black finish
- ◆ Pre heated airwash system
- ◆ Pre heated tertiary air
- ◆ Front and side loading doors
- ◆ Top or rear flue outlet
- ◆ Fresh air kit option
